

2011 Sunshine Specialty/Regular Classes

JUDGE: Mrs. Diana King

I feel very honored to be invited to judge the Sunshine PWC Club specialty, and especially at such a lovely place like Orlando in December.

My thanks to the committee for organizing such a lovely show although I know it is not easy trying to organize a specialty within the constraints of a cluster show, and it would have been nice to have a larger ring especially for the Best of Breed class. My sincere thanks also to my steward Phyllis Lambert whose help was invaluable.

I was very pleased with my winners especially my Best of Breed and Best of Opposite Sex. There were several others in the Best of Breed Class I thought worthy of an award. I am grateful for the exhibitors for accepting my decisions with good sportsmanship. I was told a long time ago when I first started showing that no matter what you do the best dog always goes home with you.

The banquet after the show was the best I have ever attended the food was wonderful and there was such a great atmosphere. The gift you gave me is simple beautiful and something I will always treasure, thank you so much.

My husband and I enjoyed our few days in Orlando Christmas shopping! Gerald also wishes to thank the exhibitors who showed under him on Thursday at the Brevard Kennel Club it was his first time judging in the U.S.A and he really enjoyed himself.

Lastly I must thank Betty Cook and her team of helpers for all their hard work organizing the 'Meet the Breeds' stand on the Saturday & Sunday and congratulate them on their fourth place in the competition.
