

SUNSHINE PEMBROKE WELSH CORGI CLUB
23rd ANNUAL SPECIALTY
December 14-15, 2017

Regular Classes: Donna Gilbert (Milestone)
Sweepstakes: Janet Bodin (Peri Lane)

I would like to thank the members of the Sunshine Pembroke Welch Corgi Club for inviting me to judge this year's specialty. In particular, Lesley Hammar and Dianne Tharp, for seeing to my every need and very capability handling the stewarding responsibilities alongside my Sweetie, Neal Goodwin. My entry was filled with quality which gave me the opportunity to select excellent examples of breed type. It is always a joy and a challenge to judge one's peers and friends, and yet that is the job we willingly undertake. I am grateful for the gracious way that my placements were received by the exhibitors. I enjoyed my assignment!

~Sincerely, Donna Gilbert (Milestone)

PUPPY DOGS, 6 TO 9 MONTHS

(5 Entered, 1 Absent)

1. **RIVERSIDE ORANGE DELIGHT** (GCHB Riverside Captain Orange x GCH Riverside Get'N Fancy At Lerouge). Owner: Deborah Shindle. Breeder: Darnell Jones & Deborah Shindle. Nicely proportioned young boy with correct outline, adequate length of neck, correct front and proper shoulder assembly. An attractive head with nicely shaped, dark eyes and dark eye rims. His topline was level and held nicely on the move. Clean coming and going, moving well from the side. Overall, a well put together puppy.
2. **AUBREY'S AN IRISH LULLABY** (GCHS Nchanted Concerto x Ch Aubrey Tenbay Rock & Roll All Night On Broadway). Owner: Cynthia M Savioli & Vincent Savioli & Roberta Lord. Breeder: Peggy Kucipak & Cynthia M Savioli & Vincent Savioli & Roberta Lord. This young boy has all of the pieces and promise which only need time and maturity. I loved his long low outline, the length of his upper arm and the matching balance of his rear angles to his front angles, which gave great scope to his side movement. When it all comes together he should be one to watch.
3. **RIVERSIDE ORANGE CRUSH** (GCHB Riverside Captain Orange x GCH Riverside

Get'N Fancy At Lerouge. Owner: Deborah Shindle. Breeder: Darnell Jones & Deborah Shindle. Very similar to the winner of this class in head shape and proportions (littermates), I wished for more length to create the proper height to length ratio. His movement down and back was clean. However, from the side he did not have the ease of the two that placed higher.

4. **TRIAD NATURALLY NOTICEABLE** (GCH Martindale Black Bart x GCH Triad Pandorable) Owner: Helen Dumond & Patty Gailey. Breeder: Patty Gailey. Nicely proportioned head on this puppy and dark eyes. I would have preferred more length for correct height to length ratio.

PUPPY DOGS, 9 TO 12 MONTHS

1. **SUA MAH KERED ON A QUEST** (GCH Rosewood Sea Quest x Sua Mah Normandy) Breeders/Owners: Judy A Hart & Gail Steinmetz. . Lovely type on this puppy, level topline which held while on the move. Pleasing head and expression, Loved the way he put his feet down correctly in front and his well let down hocks behind. Very nice package overall.
2. **CAJUN CREEK'S HOT TOPIC** (GCHP Riverside Xtra Style x Cajun Creek's Calm Before The Storm) Owner: Karen Goebel. Breeder: Wayne Lanza Jr & Giulia Luzzana & Patricia Panzarella & Junior McDaniel. Well-presented red and white youngster with correct body proportions and pleasing expression. Today his topline was not level which can certainly occur at this age. Hopefully, development and conditioning will provide improvement.

PUPPY DOGS, 12 TO 18 MONTHS

(5 Entered, 2 Absent)

1. **TRIPLE H BECHANCI STRIKE UP THE BAND** (Ch Talkabout Loving The Knight Away x Ch Lin-Kel Nanteos Eirian) Breeders/Owners: Deborah G Cox & Cheryl A Owens. This BHT caught my eye the moment he walked into the ring. It was a pleasure to see his smooth easy movement and level topline as he went around the ring, clearly a standout. His outline, 40% longer than tall, was so correct that I simply could not wait to put my hands on him. On the table he did not disappoint. Correct head proportions and planes, dark oval shaped eyes with properly set

medium sized ears gave him a wonderfully sweet, yet masculine, express. He had me at “hello”. Good front assembly, correct neat feet, adequate bone for his size, (he’s a moderately sized dog), well sprung ribs and a short loin leading to a balanced rear with well let down hocks. Once back on the ground, I truly loved how he stood “four square” without any fuss from his handler. It was my pleasure to see him move again and to award him first place and then WD. (Strongly considered for BOS).

WINNERS DOG.

rear, nicely ribbed back. Very pleasing head piece. Level topline which he held firmly while on the move. This guy covered the ring very efficiently without racing. His easy movement and correct head proportions propelled him to first place and then RWD.

RESERVE WINNERS DOG.

- 2. **CORGARD’S CATCH ME IF YOU CAN** (GCH Corgard’s Dial One-VIII-Hundred Yum Yum CA x Ch Corgard’s Rise Of The Second Stun). Owner: Susan Friedman & Kandy L Boll & Michele Pohl. Breeder: Kandy L Boll & Michele L Pohl. A very nice package overall, correct head type, standing on a little more leg than ideal for his body length. I would have preferred less upright angulation front and rear. His movement was clean down and back.
- 3. **RIVERSIDE ME’N MY SHADOW** (GCH Tara Long Story Short x Ch Riverside Don’T Leave Me) Owner: Deborah S Broussard &

Deborah B Shindle. Breeder: Deborah B Shindle. Tri boy with a very pleasing head with correct eye shape and color, was well presented by his handler. His outline left me wanted more length of body and unfortunately, today he wasn’t moving well.

DOGS, OPEN

(5 Entered, 1 Absent)

- 1. **AFARA CALICO PONY** (Ch Rosewood Set Sail To Salvenik x Afara Zipadeedoodah) Breeder/Owner: P Chen. A larger dog with good body proportions, correct angles in front and

- 2. **GLAMUR NOTTINGHAM** (Mont Dwynella Rough N Rowdy x Hailait’s Zegna) Owner: Li Zhi Peng. Breeder: S G Ponomarenko. This red and white dog has a lot to like about him; his height to length ratio gives him the correct outline. Longer in the muzzle than the standard calls for. He has well sprung ribs and feels well-muscled and conditioned. His Angles front and back allow him to move around the ring well. And yet, his handler moves him way too fast, simply not necessary.
- 3. **DOUBLE G’S 007 SHAKEN NOT STIRRED** (Ch Double G’s James Bond x GCH Baker Street Olive Oil) Owner: Marthina Greer. Breeder: Yvette Huesler. Pretty Tri boy with correct head proportions creating a pleasing expression. A decent length of neck leading into a nice

shoulder, good bone and feet. I would like more body length for balance and outline. Today his topline did not hold.

- 4. **RIVERSIDE IT’S ABOUT TIME** (GCH Hum’nbird Groundhog Day x Ch Riverside Black Magic Woman) Owner: Victoria Lowell. Breeder: Candace Brown & Deborah B Shindle. Pretty head on this Tri boy, dark pigment, good eye shape and color. Too upright in his front and rear angles to allow unrestricted movement. Presented well by his handler

- 1. SANDFOX GOLDEN SYLPH** (GCH Sandfox Golden Whistler x GCH Sandfox Chance Encounter At Perivale) Owner: Vicki Sandage DVM. Breeder: Vicki Sandage DVM & Feli Noeller DVM. A very appealing red and white puppy bitch with wonderful length to height proportions. With pretty and very correct head type, featuring dark correctly shaped oval eyes with dark eye rims, lip line and nose. Her properly placed ears and muzzle to skull proportions made up her feminine expression. A lovely reach of neck set onto a nicely angled shoulder gave her a very sound front. A good spring of ribs, carried well back to a short loin made it easy for her level topline to hold on the move. The balanced rear angles allowed her to move freely around the ring. Being a very young puppy, she had her moments of silliness, as they all did. Yet overall she was quite ring wise for her age. It was a joy to award her first place in this class and the Best Puppy.

**BEST PUPPY.**

- 2. TRIPLE H WHAT GOES AROUND** (Ch Calloway Memories Of Cinonnie x Triple H Knight Brew) Breeder/Owner: Deborah G Cox. Another red and white puppy showing good breed type, very similar qualities to the winner of the class. The difference today; I would have liked just a bit more length through the body. Her outline might have been hidden by her puppy antics on the day. (it was a very busy arena with dock diving not far from our ring). A lot of promise here once she learns her job.
- 3. RIVERSIDE NEVER STOP BELIEVE'N** (Ch Riverside Keep Believe'N x Ch Riverside When You Believe II) Owner: Deborah Shindle. Breeder: Deborah B Shindle & Tonya Jordan. . At the moment, this very young puppy is smaller and finer boned than I prefer. I would also like to see more length through the body to fit the 40 %

longer than tall requirement. She was very attentive to her handler. She certainly could lengthen. If she does, there are enough virtues to make her competitive in the long run.

- 4. NORTHRUN THE SOUTHERN CROSS** (Trehilyn Dont Hold Back x GCH Northrun Small Craft Warning) Breeder/Owner: Cathy Donovan. Another very young puppy needing more time to mature and become accustomed to the commotion at a dog show. It isn't really fair for me to write a critique until she is more comfortable with the whole process and capable of showing me her best.

PUPPY BITCHES, 9 TO 12 MONTHS

(4 Entered, 0 Absent)

- 1. LIONHART'S THAT'S HOW IT'S DONE AT STERLING** (Ch Foxwood Lionhart Alada Finn-Esse x GCH Lionhart's Cameo Appearance) Owner: Kara Janiszak & Daniel Hartman. Breeder: Daniel Hartman & Debbie Royster & Judy A Manley & Kara Janiszak. A pretty red and white bitch with a pleasing head and nicely put together front. She displayed good bone and correct feet and correct length to her well-proportioned body. She moved soundly in all directions
- 2. XIII MAPLES STAR BRIGHT** (GCHS Corwinn Incredible Dash x Ch Readfield & XIII Maples Sundance) Owner: Ellen C Childs. Breeder: Ellen Childs & Marianne Read. Very similar in many ways to the class winner, perhaps a little finer boned, certainly a quality bitch in every respect. She has a lovely outline, level topline, and moved confidently around the ring. One to watch as she grows on.
- 3. WINDDANCER AYLESFORD CONSTANT READER** (Ch WindDancer Royale High Card x Aylesford Primary Sensation @ WindDancer) Breeder/Owner: Mary DeToma. Correct front on this tri girl with a pleasing head and expression. She carries good bone down to her well-shaped feet. Proper body proportions. Unfortunately, her topline was not level on the day.
- 4. CAJUN CREEKS HOT CHICK** (GCHP Riverside Xtra Style x Cajun Creek's Calm Before The Storm. Owner: Sean Michael Boyle & Dorothy Clare Gilreath. Breeder: Wayne Lanza Jr & Giulia Luzzana & Patricia Panzarella & Junior McDaniel. Long and low with a lovely length of neck. Not holding a level topline and appearing unsettled by her surroundings today

BITCHES, 12 TO 18 MONTHS

(2 Entered, 0 Absent) (the toughest class of the day)

- 1. COVENTRY BOMBSHELL** (GCH Martindale Black Bart x GCHP Coventry Just A Little Crush) Owner: Elizabeth Sessions & Bill Shelton & Beckie Williams. Breeder: Shelton & Williams & Leyerly & Johnson. This ultra-feminine bitch walked into the ring and took my breath away with her exquisite breed type, excellent balance and proportions. Every inch of her a show girl. Presented in sheer perfection and maintaining her composure throughout. A smaller overall package than the second place bitch, yet both displayed the proper outline for their size. The class winner simply never put a foot wrong. As I looked at her standing the words moderate, balanced and elegant came to mind. It wasn't an easy decision, as the other bitch was stunning as well. I worked them quite a bit before choosing. In the end, this bitch's focus, in an arena that at times felt like a circus, is what tipped the scale in her favor. I was pleased to award her first place and then WB and BOW.

**WINNERS BITCH, BEST OF WINNERS.**

- 2. AUBREY'S GO FOR THE GOLD** (GCHS Nchanted Concerto x GCHG Aubrey's Moon River) Breeder/Owner: Cynthia M Savioli & Vincent Savioli. Difficult choices are the ones that make you dig deep, two beautiful bitches stood before me, both oozing breed type. They had differences; this bitch is bigger and therefore longer and definitely a fantastic example of our breed standard. In my opinion, if pushed to split hairs, this bitch was probably the better mover of the two. Yet when it came down to the finer points, the eye shape of the class winner and her focus gave her the edge. I was very happy to award this bitch RWB.

- 1. XIV KARAT COME SAIL AWAY WITH ME TO BRIGADOON** (Ch (Byendebrok Tiddlywinks x Ch XIV Karat Cook'N Up Something Special At Brigadoon) Owner: Willys Treanor & Sherri Hurst. Breeder: Sherri Hurst & Betty M Cook. A lovely bitch with balance, level topline and a gorgeous correct head, ample bone and proper proportions who moved well coming and going and from the side. **BEST BRED BY EXHIBITOR.**
- 2. SASSAPINE SHINE YOUR LIGHT** (GCH Linincorgi Livin' On A Prayer x GCH Sassapine New Light) Breeders/Owners: Amy Caple & Marjorie Wilmarth. A nice bitch slightly higher on leg than than the class winner, good head proportion. Eyes slightly rounder than ideal. Her topline was off today
- 3. KESTREL LEFTBANK PARTY GIRL** (Ch Kestrel Leftbank Victory x Ch Leftbank Kestrel Where's The Party) Breeders/Owners: Ann Caterson & Lynne Bloor Wolfe. One of the younger bitches in the class, this red and white was nicely proportioned with a good height to length ratio, finer boned and more restricted in movement than the two that placed higher.
- 4. NORTHRUN LEeward** (Ch Sandfox Eweknow Eclipse Of The Heart x Northrun By The Lee) Breeder/Owner: Cathy Donovan. I liked the head on this bitch, she had a good length to height ratio, good bone, and correct foot shape. I would have preferred a firmer topline and less dropping off at the croup when she moved.

BITCHES, OPEN

- 1. SASSAPINE GOODNESS & LIGHT** (GCH Linincorgi Livin' On A Prayer x GCH Sassapine New Light) Breeders/Owners: Amy Caple & Marjorie Wilmarth. A red and white bitch with

proper length to height ratio, balanced angles front and rear and a level firm topline. Lovely easy movement as she went around the ring.

2. **THE GOODBOY EARLY BIRD** (GCH The Goodboy Beyond Fame x Ch Aubrey Tenbay Rock & Roll Fantasy) Owner: Dong-Seok Yoo & Cynthia Savioli. Breeder: Dong-Seok Yoo. A tri bitch very similar to the class winner in head type and length, though she was a bit higher on leg the balance was still evident, she had a lovely turn of stifle

3. **KEELMTN SOTTO VOCE** (GCHS Nchanted Concerto x GCH KeelMtn Bless Your Heart CAA BCAT CGC).Breeder/Owner: Leslie Gene Reed. This lightly sabled girl was presented well, has good length to height proportions. Could use a firmer more level topline.

GCHG AUBREY'S MOON RIVER
(GCH Heartsong Brynlea Pavarotti x Ch Aubrey's From This Moment) Bitch. Owner: Cynthia M Savioli & Vincent Savioli. Breeder: Cynthia M Savioli & Vincent Savioli & Roberta Lord. So much has been written about the breed type and exquisite quality of this bitch, all of it very well deserved, all I can tell you that she still has it! Today, what impressed me most was her ability to take control of the ring and capturing my complete attention. On the day in a ring with several beautiful exhibits, she was without equal. It was my great pleasure to award her BOB.

SWEEPSTAKES

I want to thank the Sunshine State Pembroke Welsh Corgi Club for the opportunity to leave Wisconsin in December and judge at your specialty show. I would like to thank your show chair, Lesley Hammar and Dianne Tharp for hosting us and caring for us; the site of this show is outstanding—held in conjunction with Royal Canin's National Championship Show, it is a huge spacious, dog friendly venue. I enjoyed my assignment and getting to spend time with Donna Gilbert and Neal. I was thrilled with my winners, they are lovely representatives of this breed and should continue to do some nice winning. Thank you again for having me judge at your specialty show and wishing you continued success.

- AUBREY'S AN IRISH LULLABY** (GCHS Nchanted Concerto x Ch Aubrey Tenbay Rock & Roll All Night On Broadway) Owner: Cynthia M Savioli & Vincent Savioli & Roberta Lord. Breeder: Peggy Kucipak & Cynthia M Savioli & Vincent Savioli & Roberta Lord. A red and white male with a correct dark eye and a good head; he has a lovely reach of neck that flows into a level topline which is nice to see at this age, good bone for his size and correct feet; a dog that is clean on the move and shown in good coat and condition. Well handled.
- RIVERSIDE ORANGE DELIGHT** (GCHB Riverside Captain Orange x GCH Riverside Get'N Fancy At Lerouge) Owner: Deborah Shindle. Breeder: Darnell Jones & Deborah Shindle. I preferred the headpiece on this red and white male on the day; again a nice dark eye, a bit soft in topline at this stage, he carried good bone and a correct shaped foot, a clean mover as well.
- HERONSWAY RUN FOR THE ROSES AT HICKORY TAVERN** (GCHS Nchanted Concerto x Ch Heronsway Younger Than Springtime) Owner: Judy Descutner & Anne H Bowes. Breeder: Anne H Bowes. This puppy has a very correct shaped head and pretty expression; would like to see more angle in the front; he held a level topline and was an adequate mover.
- RIVERSIDE ORANGE CRUSH** (GCHB Riverside Captain Orange x GCH Riverside Get'N Fancy At Lerouge) Owner: Deborah

Shindle. Breeder: Darnell Jones & Deborah Shindle. This red and white boy would rather have been doing something else, but he improved the longer he was in the ring; at this age he doesn't carry the length of those above him, but held a level topline and was good on the move.

PUPPY DOGS, 9 TO 12 MONTHS

- SUA MAH KERED ON A QUEST** (GCH Rosewood Sea Quest x Sua Mah Normandy) Breeders/Owners: Judy A Hart & Gail Steinmetz. This dark red and white boy had very good bone and substance; he had a very nice shoulder with a good reach of neck. He was a very nice, clean moving boy; a larger ear on this male to give him the correct head proportions would finish off his look very nicely, he was a well-made boy and handled nicely. Sound and easy on the move.

- SGF WORTH THE WAIT** (Ch Milkywey's Get Ready To Rumble x Milkywey's Free-N-Easy) Owner: Sandra L Johnson & Beth Stewart. Breeder: Beth A Stewart & Sandra L Johnson. This red headed tri male was a much longer dog in outline than #1, stacking he gives a pretty outline. At this age he had very soft pasterns which didn't help the shape of his feet; he was an adequate mover.

PUPPY DOGS, 15 TO 18 MONTHS

(1 Entered, 0 Absent)

- TRIPLE H BECHANCI STRIKE UP THE BAND** (Ch Talkabout Loving The Knight Away x Ch Lin-Kel Nanteos Eirian) Breeders/Owners: Deborah G Cox & Cheryl A Owens. A stunning black headed tri male with the correct moderately long outline. Very pretty expression; correct shaped head and ear that was in a lovely coat and great condition. He had good bone for

his size, a lovely reach of neck into a firm topline and was very clean on the move. I really liked this male and was happy to watch him go Winners Dog the next day at the specialty. He was my **Best of Opposite Sex** in Sweepstakes and I congratulate his breeders/owners. He was very well handled.
